Members of the Common Council  
c/o Janice Johnson-Martin, City Clerk

Subject: Request that Adams Outdoor Advertising be granted permission for its sign at 1301 West Sixth Street to project over public right-of-way.

Dear Mayor Becker and Honorable Aldermen:

This department has been working with Adams Outdoor Advertising to determine the specific location for its billboard at this address. We have discovered that the right-of-way of West Sixth Street extends 40 feet behind the back of sidewalk at this address, complicating the positioning of the billboard. I ask that the Adams billboard be allowed to project into the right-of-way in the manner shown on the attachment to his letter.

I respectfully ask that this item be referred to the Public Works and Services Committee for its review and recommendation.

Sincerely,

A handwritten signature in blue ink, which appears to read "Brian F. O'Connell", is positioned above the typed name.

Brian F. O'Connell
