Re: Amendment to Chapter 94 of the Municipal Code. – Traffic and Vehicles.

On behalf of Chairperson Alder Maack, DPW Staff recommends the proposed amendment to the City of Racine Municipal Code Chapter 94 Article II Specific Street Regulations, Division 3 – Yield, Stop and Through Streets.

More specifically Section 94-66 – Through Streets and Stop Intersections Designated, Schedule C:

We would like to ADD the following item under (b) (2) Stop Intersections:

- Right of Way Traffic on Lombard Avenue / Stop Sign Facing Traffic on St. Clair Street.

In Section 94-67 – Yield Right of Way Intersections, Schedule D:

We would like to DELETE the following item under (b):

- Right of Way Traffic on Lombard Avenue / Yield Sign Facing Traffic on St. Clair Street.

Please note that if the committee and council agree, these changes can take effect immediately. There is no fiscal obligation for the City to amend the Municipal Code and only a nominal fee to produce the regulatory signs. If the Committee agrees, the appropriate action would be to approve the amendments to the Municipal Code as described.
