To: Alderman John Tate II, Chairman
Public Works and Services Committee

From: John Rooney *JCR*
Assistant Commissioner of Public Works/City Engineer

Re: Three-Party Agreement between the City of Racine, WisDOT and GRAEF-USA, Inc. for Engineering Services for State Project ID: 2703-11-00, Goold Street – Douglas Avenue (STH 32) to North Main Street (City Contract 20190021)

We are submitting a three-party agreement between the City of Racine, WisDOT and GRAEF-USA, Inc. for the design engineering services for the above project. This agreement is for the development of roadway improvement plans that include the complete reconstruction of the roadway, replacement of some sidewalk, street lighting, modifications to traffic signal conduit and wiring at North Main Street, pavement marking, roadway signing and storm sewer improvements in the project corridor.

This agreement is in the not-to-exceed amount of \$279,974.82 with the City's share being \$55,994.96 (20%) and the State's share being \$223,979.86 (80%). Funding for the City's share is available in Org-Object 45040-57500-40003, Paving-State Contracts DPW.

If the Committee agrees, appropriate action would be to approve and authorize the Mayor and City Clerk to enter into the three-party agreement.
