

Amendment to Alcohol Beverage License Application

I have applied for an alcohol beverages license with the City of Racine, and would like to amend my license application as follows:

- 1) Premises description is amended to state "main floor dining, restaurant and kitchen area and second floor banquet hall and storage."

I understand that the above amendment will be incorporated as part of my license application and business plan, and that I will be required to abide by and operate according to the above terms, if my license is approved.

Dated this 25th day of November, 2022.
