The committee heard from Richard Christensen concerning weekend tee time availability and course restrictions at Johnson Park Golf Course. groups of less than four be allowed to play weekend seasonal tee times.

Scott Schuit indicated there is no written policy currently in place. The unwritten policy is that seasonal tee times between 8:00 a.m and noon on weekends be reserved a week or more ahead of time and that only foursome will be allowed to play during high volume business times. Groups less than four may reserve a weekend seasonal tee time if space is available the day before. Weekend play is restricted to 18 holes. Tee times, no group restrictions and back 9 play are available prior to 7:45 a.m.

Jim Kozina stated the PGA is within contract rights to conduct the weekend seasonal tee time procedures as currently practiced.

John H. Feiner distributed a breakdown of the weekend tee time practices of area golf courses.

Wayne Sotona confirmed with the PGA that Shoop and Washington Park Golf Courses are available for 9-hole golf on the weekends with a reservation made one week in advance.

Tom Molbeck reported the Board of PRCS will expect a written policy concerning weekend seasonal tee times to be presented at the October meeting. Tom Molbeck and Scott Schuit will meet to develop a written policy concerning weekend seasonal play at Johnson Park Golf Course.
