RE: Grant Application (Library – LED Exterior Upgrade #17642)

Dear Bill:

I have enclosed the Grant Application, Terms and Conditions, and the Customer Survey for the Focus on Energy Implementation Grant – Project #17642/7766 for an incentive amount of \$233.00.

Please sign the Grant Application and Terms and Conditions document and return it to Chuck Zinda in the enclosed envelope along with the Customer Survey.

Upon receipt of the application, terms and survey a Project Completion Notice will be sent to you. When the project is completed you will need to send me the completed Project Completion Notice and copy of the final Invoice for the project. Once we do so, and the final documents are executed you can then expect payment within approximately 90 days. Payment will arrive addressed to you, via US Mail, from the Wisconsin Energy Conservation Corporation (WECC), which administrates the Focus on Energy Schools and Government Program.

Should you have any questions or concerns, please feel free to contact Chuck Zinda at email address czinda@cesa10.k12.wi.us or office phone (888) 947-4699. Thanks again for the opportunity to work with you on your project!

Sincerely,

A handwritten signature in cursive script that reads "Ann Whittaker".

Ann Whittaker
Program Assistant

cc: Chuck Zinda

Certification

The following certifications are required in order for this form to substitute for the IRS form W-9:

1. The number shown on this form is the correct tax payer identification number.
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the IRS that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withhold.
3. I am a U.S. person (including a U.S. resident alien.)

Project Profile

Project Location: Library - LED Exterior Upgrade - 08/09
 75 7th St
 Racine WI 53403-1201

Estimated Baseline System Usage			Recommendations	Estimated System Savings			
Peak Summer Demand* (kW)	Annual		Description	Peak Summer Demand (kW)	Annual		\$ Saving
	Electric (kWh)	Gas (Therms)			Electric (kWh)	Gas (Therms)	
283.2000	972960.0000		2.0950 - LED custom lighting, not otherwise specified <i>LED custom lighting, library existing Metal Halide exterior fixtures will be replaced with LED fixtures to give equal or better lighting with extended lamp life. The energy savings are expected to be 60% of existing kWh.</i>	0.0000	3889.0000		\$389.00
						TOTAL:	\$389.00

*Peak demand savings are those that are reduced during the periods of 1 pm to 4 pm on weekdays in June, July, or August. Please provide descriptions of all variables used in these formulas.

Terms & Conditions - Energy Advisor and Customer

We, the undersigned, agree that to the best of our knowledge, the energy-efficiency measures listed above are representative of the project we expect to implement as part of the Focus on Energy Program. We understand that grant amounts are determined from the Customer-specific data submitted on this application form and that grants for similar measures may vary from Customer to Customer based on specific cost and savings. Submission of this application does not guarantee that the applicant will receive funding or specific level of funding. Focus on Energy may conduct a pre-installation inspection to verify savings. **We Have read the "Grant Agreement Terms & Conditions" attached to this grant application and agreement form and understand them.** Retain a copy of the Grant Agreement Terms & Conditions for your records.
 Any customer receiving an incentive check may be contacted by an evaluator to verify service/equipment installation or be asked to complete a customer survey.

Sign and return this grant by 11/8/2009 to reserve funds for this project. Your project must be completed by 3/31/2009 to receive payment.
