To: Alderman Shakoor, II, Chairman
Finance & Personnel Committee

From: John Rooney 
Assistant Commissioner of Public Works/City Engineer

Subject: Accept WisDNR Urban Nonpoint Source & Storm Water Construction Grant for Lakeview Park – WisDNR Grant No. USC52276Y19, (City of Racine Grant Control No. 00173)

We are requesting authorization to accept a Wisconsin DNR Grant for Urban Nonpoint Source & Storm Water Construction for Lakeview Park – WisDNR Grant No. USC52276Y19, (City of Racine Grant Control No. 00173).

The location for the project is Lakeview Park. Lakeview Park has a road that spans the south side of the park from Michigan Boulevard to N. Main Street and the intent is to construct a green alley. The green alley would consist of a combination of concrete pavement and porous pavers.

The estimated cost of the project is \$160,000. The grant amount is \$44,000 with the remaining balance funded 50% from the Parks Department and the Storm Water Utility. Funds for this project have been approved and are appropriated in the 2019 CIP.

If the Committee agrees, the appropriate action would be to authorize the City Engineer to sign the grant.
