Subject: bike course for 7-22

Rick,
I'd like to get you and your staff's comments on this proposed bike course for the Superweek race on Thursday, July 22nd. It's a variation of the courses that we've used the last two years. The downtown merchants asked that we again have the race in downtown after we threatened to move it to the area around Roosevelt park. Last year we were able to keep open a lane on Wisconsin and two lanes on Lake Ave.
