Re: Approval of Transportation Project Plat for State Project ID: 2703-00-06/76, Ohio Street. (Limits: Washington Ave. to Graceland Blvd.)

We are submitting the right of way plat for the Ohio Street project (State Project ID: 2703-00-06/76 - limits: Washington Ave. to Graceland Blvd.) for approval of the Transportation Project Plat. If approved, the acquisition of property in fee and temporary limited easements can commence.

The acquisition of property will be completed in 2025. The right of way plat is attached for reference. The roadway construction is scheduled to be completed in 2026.

Fiscal Note: Funding for the fees and acquisitions will be provided in the 2025 Capital Improvement Program Budget. Funding for the roadway construction will be provided in the CIP in 2026.

If the Committee agrees, the appropriate action would be to approve the Right of Way Plat and authorize the appropriate signatures of the plat.
