RE: Amendment No. 2, Contract 41-06(K6-043), PS – Construction Management Southside
Industrial Park Infrastructure, Earth Tech, consultant

We have received Amendment No. 2 on the above contract. This amendment is for additional construction inspection due to the discovery and removal/disposal of an underground oil tank on the property and extension of construction duration. The amendment is in the not-to-exceed amount of \$31,500 and funding is available in Account No. 970.000.5060, TID #10, Planning.

If the Committee agrees, the appropriate action would be to accept the amendment and authorize the Mayor and City Clerk to enter into the agreement.
