To the attention of the Transit & Parking Commission:

The Monument Square Art Fair Board of Directors is requesting the use of Lot #5 on Saturday, June 2nd and Sunday, June 3rd, 2012 to provide parking for the artists participating in the art fair. In the past we have always provided specific parking for the artists. They receive a packet describing how to locate the Festival Park and this also includes information on where to park. Since many of these people are visitors to our city, this service has been greatly appreciated. Please advise as to the rental fees for the use of Lot #5.\*

Thank you for your consideration of this request and I look forward to your response.

Sincerely,

Linda Budlow
