August 24, 2012

Dear Mayor John Dickert and Racine Common Council,

Our Church is planning a community block party to take place on Saturday, September 29th from 11:00am to 3:00pm. We are settling into the neighborhood and want to take the opportunity to meet our neighbors as well as provide a family atmosphere where residents of the surrounding community can come out and have a fun time.

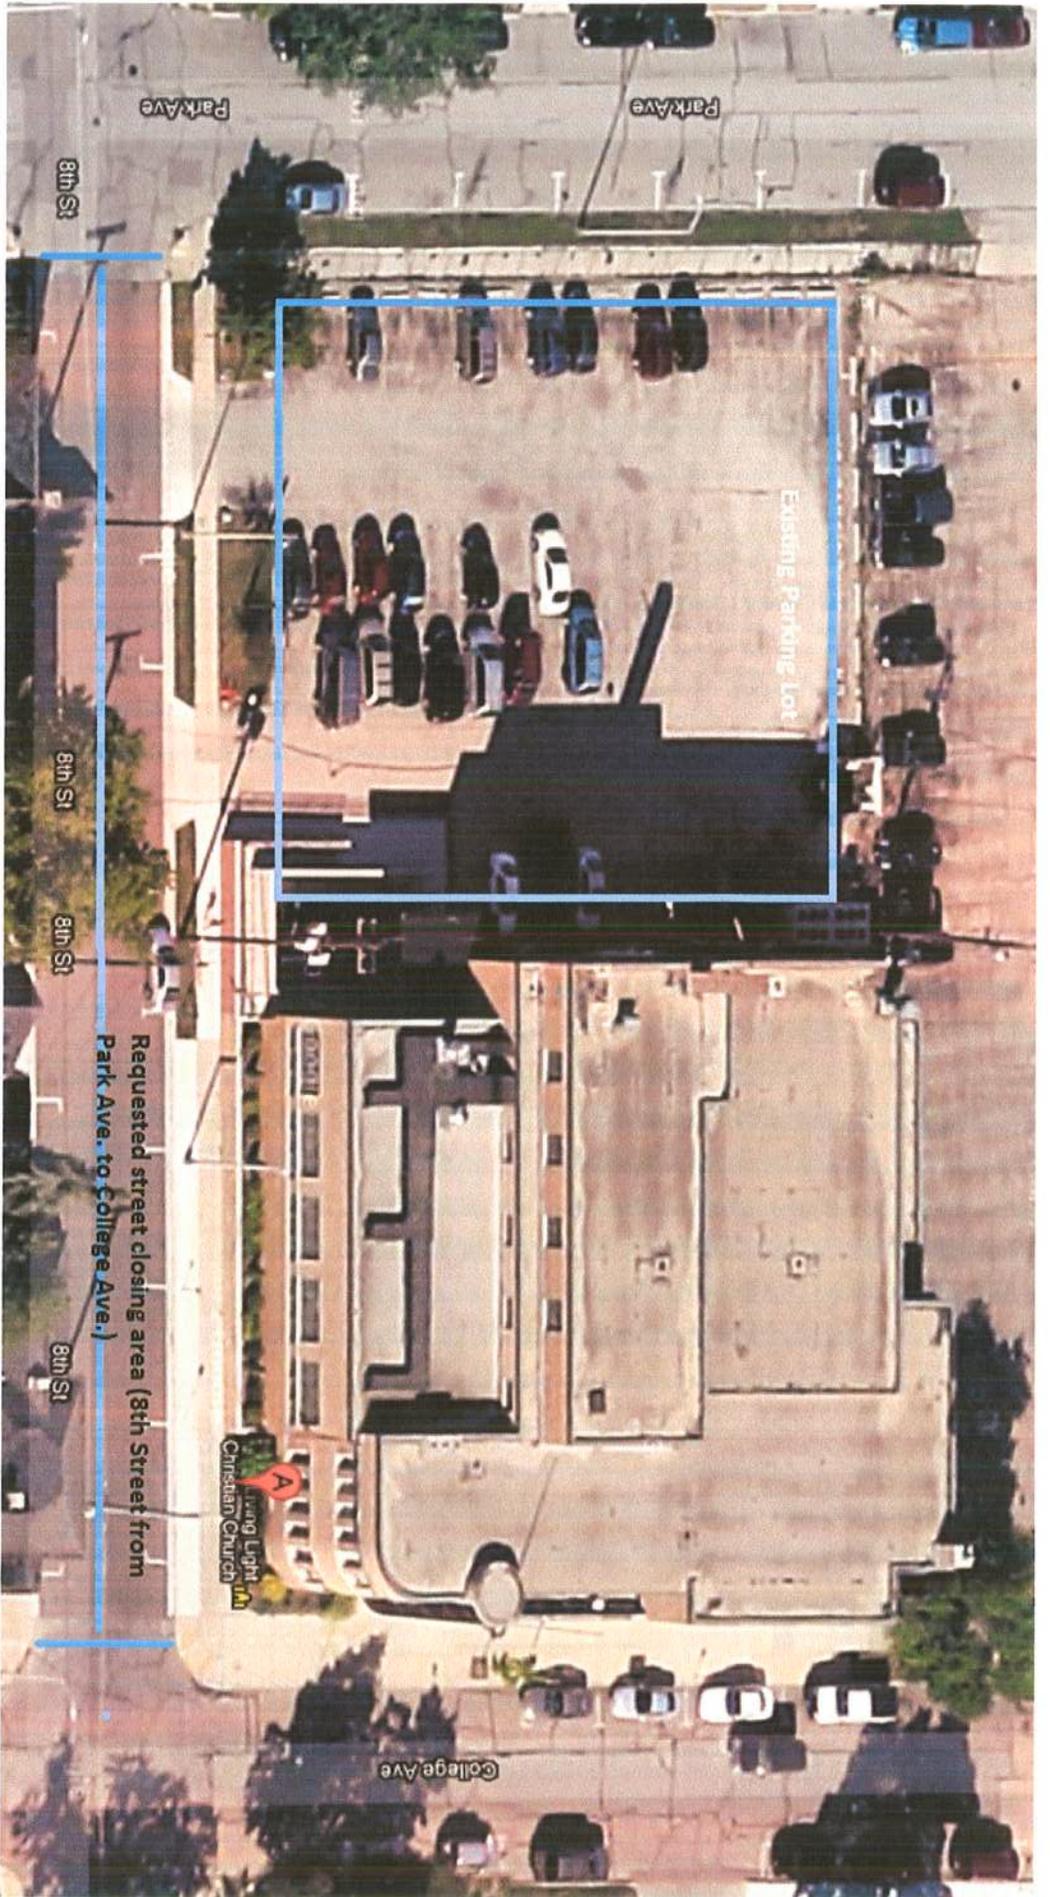

We have two live bands lined up along with face painting, four bouncy structures, the Racine Police Dept. K9 Unit, Racine Raiders football team, carnival games, free hot dogs and sodas, and more. The event will be held in our parking lot, however we are requesting the use of 8th Street from Park Ave. to College Ave. (see included map) for additional space.

As I'm sure you already know, all parking on the South side of 8th Street (the side on which the houses exist) has been temporarily eliminated due to the 7th Street construction project. However, we have approached both houses that face 8th Street to make sure that the closing of the street wouldn't negatively impact them. They both agreed that it wouldn't be a nuisance as long as they get to come and eat the free food!

We have been made aware of the fees associated with this request along with the requirement of a hold harmless agreement with the City, and we are prepared to pay those. I hope you will consider this event as a benefit to the community and will grant us our request to have 8th Street (from Park Ave. to College Ave.) closed from 8:00am-6:00pm on Saturday, September 29th.

Sincerely,

Dustan Balkcom
Center Manager
