Mr. Donnie Snow  
Racine Park and Recreation Services  
800 Center, Room 127  
Racine, WI 53403

Dear Mr. Snow,

Thank you for your assistance in the request from AT&T to expand their existing easement to place an electronics cabinet (and power pedestal) next to their existing distribution cabinet located at Marino Park off State Street, in the city of Racine.

They currently have a 5' x 9' x 9' x 11' easement, allowing to place a pad-mounted cabinet, used for phone service distribution. They would like to expand the cabinet a few feet to the east and to the south. This would make the new easement approximately: 5' x 12' x 10' x 14', allowing for multiple cabinets and electrical service (120 vac). I have attached various sketch's and cabinet specifications for your review. I look forward to talking to you soon.

Yours truly,

David Wellerritter  
ROW Project Manager
