Re: Application for City of Racine Massage Establishment Permit – Relax Spa Massage;  
403 Sixth Street and 5110 Washington Avenue [*Both applications by same owner*]

Date: November 20<sup>th</sup>, 2025

On November 14th, 2025, I received an email from City of Racine Assistant City Attorney Ian Pomplin containing two (2) PDF attachments. The files were copies of an Application for City of Racine Massage Establishment Permit submitted by Zhongguo Chen (aka Zhong Guo Chen).

### **BASIC INFORMATION | LICENSING | OPEN-SOURCE SEARCH**

Attorney Pomplin inquired into any information or background that could assist the Public Safety and Licensing Committee in deciding to approve or deny each license application. I observed the applicant to be listed as Zhongguo Chen (DOB: 5-13-1971). The address for Chen was listed as 403 Sixth Street in the City of Racine with no phone number provided. The two applications were submitted for two (2) Relax Spa Massage Inc. locations, one each at 403 Sixth Street and 5110 Washington Avenue. Each application listed Chen as the only proposed massage therapist at either location. I was able to locate Chen's massage/body therapy provider license through WI Department of Safety and Professional Services and confirmed it to be valid with no prior instances of violations listed.

The phone number listed for Relax Spa [403 Sixth] of (312) 619-8116 was checked for any association to illicit activity. The number was found to be associated to online advertisements for services posted to the website "skipthegames.com" between November 2022 and March 2023. The website is known to be utilized exclusively for the solicitation of commercial sex acts and frequently exploited by those engaged in human sex trafficking. A search of the phone number through Google linked to results listing "skipthegames.com" along with other with other similar websites (i.e. adultfantacy.com and onebackpage.com).

The phone number listed for Joy Spa [5110 Washington] of (608) 531-8388 was checked for any association to illicit activity. The number was found to be associated to online advertisements for services posted to the website "skipthegames.com" between November 2022 and September 2023. The website is known to be utilized exclusively for the solicitation of commercial sex acts and frequently exploited by those engaged in human sex trafficking. A search of the phone number through Google linked to results listing "skipthegames.com" along with other with other similar websites (i.e. adultfantacy.com and onebackpage.com).

*Advertisements for both locations featured suggestively or scantily dressed Asian females, some with breasts partially exposed.*

## **BACKGROUND | ACTIVE CRIMINAL INVESTIGATION**

I conducted a basic background check of Chen through publicly available Circuit Court Access (CCAP) records and found no criminal or municipal violation cases with none located. However, it should be noted that Chen and her businesses are subjects of active criminal investigations by the Racine County Sheriff's Office [Relax Spa and Joy Spa] and the Mt. Pleasant Police Department [Head Spa]. The criminal investigations into Chen and her businesses were predicated on the suspicions that the establishments were operating as illicit massage businesses.

*An illicit massage business is defined as an establishment that uses the facade of a legitimate massage, spa, or bodywork business to operate a commercial sex enterprise, often involving human trafficking and forced labor. These businesses appear to be legal by securing valid permits and licenses and operating with storefronts in places like strip malls or office buildings, but their actual purpose is to facilitate commercial sexual activity, frequently against the will of the workers.*

***\*\*DUE TO THE INVESTIGATION BEING ACTIVE AND ON-GOING, LIMITED INFORMATION FROM THE INVESTIGATION WILL BE PROVIDED IN THIS DOCUMENT\*\****

### **Online Commercial Sex Reviews**

*As the lead for the Racine Co. Sheriff's Office investigation into suspected IMB activity by Chen or her establishments, I was able to obtain information from behind the paywall of a website dedicated to documenting and reviewing illicit massage businesses which follows:*

Both Relax Spa (403) and Joy Spa (5110) were observed to be listed on the website Rubmaps.ch which is intended for the identification and review (explicit) of illicit massage businesses. Relax Spa showed reviews as recently as 7/29 and 11/3 of this year with four other reviews listed for 2024. The review from July 29<sup>th</sup> does not have a check for any sexual services, but includes a note of a \$140 extra tip on a \$70 massage which I know from experience to be consistent with overpayment typical of receiving sexual services. The review also describes the providers stomach as “*not perfectly flat it evens out nicely in the horizontal*” and “*One thing I could say is they probably used to be C cups but have deflated.*”

Joy Spa showed two reviews from 8/26 and 10/1 of this year. The review from 10/1 lists \$70 paid for a massage and \$40 for an extra tip with “Handjob” showing a green check mark. The review states “*Coco is an old greedy provider*” who wanted \$200 up-front for “FS” or full-service (sexual intercourse). The review describes haggling over the price and services before settling on “*a HJ for 40, she wanted 80!*”. The review from 8/26 lists \$70 paid for the massage and \$160 as the extra tip with FS [full-service] listing “CFS” (covered/condom full-service) and a green check mark next to “*Breast-play?*” The review graphically describes the encounter.

Both establishment locations listed on the submitted applications are frequently discussed on the open sex forum USASexGuide.nl, so much so that they have their own subforum. The posts occasionally discuss the services and costs, sometimes in more detail, but typically through abbreviated shorthand and codes. Through more than one post, the provider by the name “Coco” is mentioned, including with a description of a cherry blossom tattoo.

*“A Tradition Since 1836”*

*It should be noted that through the course of the criminal investigation, Chen herself was taken into custody while search warrants were executed at her businesses. While in custody, Chen was found to have a cherry blossom tree tattoo on her abdomen matching the description of that on “Coco” in the forums, suggesting that Chen herself may be providing commercial sex services.*

*Each of the above-mentioned recent reviews from Rubmaps.ch will be included as attachments for additional context and consideration by the committee. It should be noted that the authenticity and validity of the reviews is unable to be verified at this time due to Rubmaps.ch and USASexGuide.nl being a foreign-hosted domain and non-responsive to United States legal process (i.e. subpoena) to obtain user information.*

### **WI Department of Workforce Development Inspections**

The Wisconsin WI Department of Workforce Development conducted proactive worker classification inspection visits at both Relax Spa (Oct '25) and Joy Spa (May '25). During each visit, two workers were present at each location (4 total) that were identified by WI DWD investigators. In both instances, neither of the workers were appropriately licensed through the WI Department of Safety and Professional Services as required by State statutes and City ordinances. Also, evidence of workers residing in the businesses contrary to City ordinances was documented during each visit.

Additionally, during the Oct '25 inspection of Relax Spa [Sixth St.], used condoms were found wrapped in paper towel in a trash can and DWD investigators conducted black light testing with massage tables displaying fluorescent properties. This is consistent with the presence of bodily fluids including semen, vaginal fluids, saliva or urine.

*It should be noted that NO presumptive chemical testing was conducted to verify the potential or likely cause of fluorescence from the massage tables.*

### **CONCLUSION**

I have reviewed the information included in the application from Zhongguo Chen for massage establishments to open at 403 Sixth Street and 5110 Washington Avenue. I know that both establishments have been previously licensed and operating in the City of Racine for several years. The following are points of interest for consideration:

- Chen lists herself as the only massage provider to be employed at the businesses although they are 3.2 miles apart and on opposite sides of the city; This is also to consider with Chen applying for a massage business license with the Village of Mt. Pleasant after operating a massage business without proper permit/license for several months. Chen was found to have unlicensed workers at her establishments which is consistent with common operating practices of illicit massage businesses.
- During an active criminal investigation, Chen was interviewed and disclosed that she has been the sole owner of the businesses since their opening. Investigative efforts found Chen to be in possession of receipts for services going back as far as 2021, corroborating ownership during the timeframe that the businesses were associated to online advertisements on websites known to solicit commercial sex acts.

*“A Tradition Since 1836”*

Visit us at [www.RacineSheriff.org](http://www.RacineSheriff.org), Facebook, or MobilePatrol

- Both businesses have been visited for inspection by WI Department of Workforce Development during proactive worker classification visits. During each visit, both businesses were found to be in violations of various local and state ordinances or statutes. Additional evidence of commercial sex acts occurring were discovered and documented including used condoms and message beds displaying fluorescence consistent with the presence of bodily fluids.
- During investigative efforts by the Racine Co. Sheriff's Office, two (2) gray grocery bags of Lifestyle condoms were found to be hidden in the ceiling tiles at 403 Sixth Street. Another bag of condoms was located hidden above HVAC duct work in the basement.
- Both businesses appear on online sex forums, including those specifically created for the purpose of documenting, searching and reviewing commercial sex services through illicit massage businesses. Reviews of online sex forum discussions and business reviews suggest that Chen herself is involved with providing commercial sex services.
- *Chen was ultimately arrested on November 5<sup>th</sup>, 2025 and charged with four (4) counts of violating Wisconsin State Statue 460.145 – Employment of unlicensed persons, a Class A misdemeanor, based on the current active investigation. Additional charges are possible depending on further review of evidence collected.*

I recognize the application information as being consistent with individuals or victims involved in the operation of illicit massage businesses. This is based on my training and experience as a law enforcement officer, which includes a previous assignment to a human trafficking task force and continued attendance of violation specific training to include illicit massage business investigations.

Respectfully Submitted,

Investigator Luke Johnson #9741

It's amazing. And I know everybody's got their reasons why they don't post. Some of the best posters are now gone. Shared a lot of information with NP, JAM and a few others. So yeah, it appears that this forum is going to look like the Wyoming forum.

And of course there's the guys who only ask questions, never sharing any information. And of course the private messages that never get replied to.

I've gotten three or four messages from the same members about different places, give them information to help them and they never come back to say what their experience was. When pressed they tell you they haven't had a chance to go, too busy or no money etc...

I know I paid my dues. I've given out a lot of good information in the open forum (discreet) and in PMs. The thing about sharing information is it's time sensitive. Things change often. Kiki, here and gone. Sarah (Violet) was only here for a couple of weeks. Her service was off the hook. Thanks Red, that was probably the best tips I've ever received on this Racine forum.

I do have some more information on the Relax situation, but first of all, all of you that are paranoid don't worry, KCS is not interested in you. Similar situation to Seme closing. No mongers involved.

Typically the only reason for the Chinese to close is Chinese New Year or the not so popular uncle. I guess only speculation at this point unless someone has laid eyes on something else?

Yes, that's here. I'll be honest, I don't remember the tattoo that well, outside of some blue highlights and a tree as I was infatuated with those big natural melons. But I still felt pissed with the bait and switch.

## More Details:

Coco is an old greedy provider. Wants 200 for FS, and wants it up front. I get it, she's been burned before, probably because of bad service. The massage was mediocre and she is somewhat emotionless, very detached. Constantly checking her phone and massaging with one hand. There was a bit of a tease, but she seemed more eager to get to the money part.

She pulled her leggings down and showed me her hairy bush, and admittedly decent belly, skinny though. Rubbing her forefinger and thumb together, she asks "how much you tip?" For what I ask? She says "boom boom???" I was thinking about it until she says 200. Fuck that. She's probably worth 100 w/ BBFSCIP maybe, but she's got some miles on her. I guarantee she fucks every dude who wants it, or so I've been told in PMs here and some other forums.

Nope, not me. I agreed to a HJ for 40, she wanted 80! Are you kidding me? No fucking way. She did settle. Totally emotionless of course. She thought that jackhammering would get me there quicker, it doesn't. You can tell she hates her job and mongers but loves the money.

I believe some of you poor guys are paying too much. They don't get to those numbers (200) on accident. C'mon guys, stop overpaying for these grannies.

The name is now Relax Spa Also known as "Relax West" as they changed the name to Relax for whatever reason. The original Relax is still open in downtown Racine on 6th St. West is kind of dumpy looking from the outside, dirty windows with the typical posters sun faded and edges rolled back, old and worn out like the occupants. It's right next to a convenience or liquor store. West of it is an oil change place that is pretty busy on Saturdays. Ring a doorbell to get in, and you may have to wait outside until someone comes to the door.

## More Details:

I had the worst experience I have had in a long time with Coco. Coco looks better than most and a fairly flat belly and tiny A's, probably about 55-60 YO. Basic English, greetings like "hello honey" and "how much you tip?" She collects the house fee and disappears for several minutes. Where do they go for so long? The massage was very lame and low effort, so I asked her if she was busy that day, but she said no, however the day before she was. OK that explains the lame effort on the massage. She offered "boom boom" almost right away, probably because she didn't want to massage anymore. I wasn't getting much out of the massage anyhow.

She immediately starts with the tip negotiation. Again. It's not my first time with her and she should have it memorized. I told her what I always tell her - 160. And you think she would trust me by now, but she doesn't, so each and every time I have to get my wallet out. That is a huge distraction. (I know, I should just lay it on the table, right?) Well, I don't like to pay up front because her service is spotty. But I can see why she wants the money first because I'm sure a lot of guys don't think it's worth it and don't pay up when the debacle is over. She leaves the room yet again for several minutes

So what happened? Well, she wears a skirt and only takes off the leggings but that's where it ends. Nope, she didn't want to disrobe. Kept it all on. So, you lift the skirt and pump away. Lubes you with oil BEFORE the cover, WTF? Then wont remove her top either, just pulls the shirt up and the bra down. Just enough to cup your hands over them and the rest unseen. You feel like you're in the bathroom at a bar for a quickie. SM, Mish and doggie, and she was complaining in CG, because her back was sore from the day before. I laughingly joke with her that she did too many guys the day before and she nods her head no, and gestures "only HJ's", OK sure! She's high volume.

Suddenly, the doorbell rings and she jumps off the table leaves me right in the middle of what could have been a good session and runs to the front door and greets somebody, I hear a female voice in Chinese and a male voice in English, They were talking about some bullshit, the some laughter, wasting my time and finally literally 5 minutes later she comes back in the room and of course I've lost the mood. At this point I'm kinda pissed and she can see it. Now, she want's to finish me by hand, fuck that. I paid good money for this session and it ain't gonna finish up by hand. She looks at junior and points out that he has gone down. Well, no shit...

She worked me back up and tried to reuse the cover, which I laughed at. It was oil soaked and plenty more where that came from under the table. Back to dogg and mish, she can actually take a pounding, but she was winching. Finally, it was over. Finishes with the hot towel and uses up the rest of the hour with more lame massage. All in all, between the lame service and the interruptions, I wasn't too happy and she kept trying to tell me I should be happy because she was. Yeah, I get it, she's already got her money for some really lame service. To be honest, if I hadn't tipped up front, I would have tipped much less because with all the frustration, it was only worth 120 at the most. That's why the ones that suck at their job always want the tip up front.

I told her she should give me a partial refund, but you know how that goes. Chinese are greedy and won't give back a dime. I told her that's fine I'll just write a truthful review. Oh and I texted the management, told them in a roundabout way I wasn't happy they responded but in typical Chinese fashion, they blew me off. So here's my review.

FS is almost guaranteed here, but the service isn't the best.

"the service isn't the best" is probably the most understated part of your review. Why anyone would want an Asian granny jacking them off is beyond me, but hey to each their own....

Great review More reviews should go into this much detail And more guys should hold off tipping till the end I have made a practice of not tipping anything until we are finished and it's been working pretty good for me thus far And I get DATY and Fuck often

## Massage Parlor Details:

For those who don't know, the parking across the street to the north is free if you use parking spot 11, 12 or 13. Just be a little careful pulling in the lot as it's kind of rough as in they must have torn a building down and put a parking lot there, because the payment is very uneven. Just be careful if you've got a Corvette !

## More Details:

I'm surprised nobody's been writing reviews here, probably all for the better as this is one of the best places and I'd hate to see it disappear. This is always been a good place for Top Notch service.

As always I'm not going to give details to the lurkers who don't contribute. I would say "trusted members send me a message" but I don't have a current subscription either. No private messages unless you have a subscription.

I feel it's my job to let the group know about this provider, and don't want to give up the details simply because it's YMMV as always anyhow meaning you may not do as well as I did and who knows, I may not have done as well as you've done with this provider.

Vi Vi is very friendly and has a great smile. Kind of like the girl next door. Honestly, it's too bad she's doing this job. She could definitely snag a man for a boyfriend but greed is more important than dignity to these girls.

She's very upbeat, has a good attitude, she doesn't turn her head to the side and close her eyes, instead, she encourages you and gets you to the Finish Line quicker, by being a willing participant.

She's got a great body, she's got a nice butt. Not a half butt or a flat butt. No visible baby damage like big C scars or stretch marks. Although her stomach is not perfectly flat it evens out nicely in the horizontal. One thing I could say is they probably used to be C cups but have deflated. Definitely a candidate for enhancement.

All in all, for me in this area I feel like I should promote her as one of the better providers out there at least in southeast Wisconsin.

May comes to the door wearing a robe kinda. I ask for a massage, I pay the house fee and she takes me to the massage table. The massage was great, she teased my balls and junk a couple of times. I flip and tell her I want full service, I give an offer and she agreed. I pay and start feeling her ass, sucking on her nice tits, they're real, real responsive nipples, I get hard quick. She starts getting a condom on. I tell her to get in reverse cowgirl and she does, I bend her over the massage table and we do doggy, I asked her to put one leg up on the table and she did. I lay back on the table and ask to finish with mish.

All in all it was a good time, I got laid and didn't have to work too hard for it, next time I'll see if I can shoot for a little more time.

This got very distracting. Conversely, I decided to go for FS (160). She stripped and began with a hj but stopped to go back to the front, where somebody walked in. Thankfully, another girl took over, and I'm sure Mei was out. On the return, she climbs on in cg and bounces up and down furiously, continuing with the fake moans. She then gets off and asks if I want a hand job. Accepting that I'm not going to cum inside her pussy, I say, "Yes." Done, cleaned up, out the door. I will not repeat it!

I showed up around 10 am and Mei greeted me at the door. She was the only one working and welcomed me in as the first guest of the day. I paid the door fee and she took me to the room. She gave me a very sensual massage and I was hard as a rock. She laughed and said you're ready for some fun. Her attitude was easy going and fun...really put me at ease. She told me to flip and I rolled over. She covered me up and then mounted me. After a couple minutes we switched to doggy. We were looking in a mirror while I pounded from behind. She said something about this being the best view as her tits bounced back and forth. I blew in the cover, she cleaned me up, hugged me, and I left. Again, great easy going attitude. I will see her again.

The massage was good. A lot of teasing when I was face down. On the flip she said \$80 BBBJ and \$120 for CFS. We negotiated to \$110 for CFS. She dropped her pants and laid there. Did not move. Kept her eyes closed. I tried to talk to her, and she wouldn't do anything except lay there with her eyes closed. A hand job would have been better. She wasn't worth the \$110. Maybe only \$20 but not #110. But the massage was good, and the teasing was great. And with her not helping it was hard to get in to her.

When it first opened up, you could get it for a hundred bucks and she was more involved. She even used to kiss. But I guess she feels like when you're seeing 5 to 10 guys a day you have to tune out. They go somewhere else closes her eyes turns her head to the side and wishes you would hurry up. The best ones of course are the ones who smile and maintain eye contact and at least pretend like they like what you're doing. She's just been "hardened". That's one of the reasons why I never went back for a couple years. That and the horrible baby damage that looks like someone did a cesarean with a machete. Sorry to hear about your experience.

## Massage Parlor Details:

I had no idea what kind of place this would be, I tried out Vivi and at first it seemed like she would be willing to work the shaft but she didn't. It was DIY, for that kind of thing I could've stayed home. Not sure if this is the kind of place where I need to visit a few times for it, but I doubt I'll return.

I stopped in here to check this place out. When I walked in I was greeted by Vivi. I told her I wanted a 60 minute massage. I follow her back and got me in the room, I stripped, got on the table and went to work on the massage. It was ok, not the worst or the best.

As we are nearing the end, she asks if I want to handle my member. I ask her if there is anything else she will do. She says no. Then puts lotion on my member and tells me to start. DIY all the way. She dries me off and I get up to go. Upon leaving she says "I will offer you more next time". I doubt that she would do more. I went in with low expectations and that is what I got. As always, YMWW with these places. \$70 for the massage and 10 tip. Standard price for the service.

There are better places in town to hit up.
