RE: Revised Agreement, State Project ID: 2440-07-00/70 (STH20) 7th St.
(Marquette St. to Main St.)

The Wisconsin Department of Transportation has submitted a revised agreement for the 7th Street project. The revision includes a decrease of real estate costs of \$18,700 and additional storm water best management practices funding of \$80,000, of which 73% will be paid for with Federal/State funds.

If the Committee agrees, the appropriate action would be to approve the revised project agreement. Funding for this additional cost of \$21,600 is provided in the 2011 Capital Improvement Project Storm Water Utility budget.
