Veterans Club Inc. License No. 9
Request to amend "description of premises"

Dear Mr. Maack

The Veterans Club at 820 Main St. is requesting that the description of premises, listed on our license, be amended to include the 65' x 25' front porch.

If this request is approved, we would begin serving lunches and refreshment in the open air on nice days.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script, appearing to read "Steven R. Heether".
