Racine City Hall  
Mayor Dickert  
Common Council  
730 Washington Ave  
Racine WI 53403

Dear Mayor Dickert and Common Council,

Please forward this communication to the City Common Council's agenda for the 11-19-2013 meeting to be forwarded to the Public Works Committee for their 11-26-2013 meeting.

The sponsoring merchants of the First Fridays' event are seeking to add several dozen commercial, gas heaters along the sidewalks of downtown Racine during the dark and cold events. The heaters would add an ambiance and would put out radiant heat.

The futuristic looking *Mocha Finish Square Flame Heater* that we have in mind brings a new dimension to outdoor heating. This patented stylish unit provides a uniquely visual flame while providing heat in every direction. This attractive piece of patio art will be the focal point of any outdoor setting. This high quality unit features a tip over protection system for your safety. Attached wheels provide easy mobility.
