John,

Please review the attached email and assign someone from the traffic bureau to work traffic commission members to assess the need and feasibility of modifying the traffic flow on Cleveland Avenue (near Fratt Elementary School) as requested by Ald. Perez.

We will review this matter in 30 days to identify next steps subject to review, assessment and direction from the traffic commission.

Thanks in advance.

Subject: Fratt elementary

Good morning Sir, Per our brief discussion at the Council meeting, I am requesting a traffic study at Fratt Elementary for the purpose of making Cleveland Ave. a one way

street, between Linderman and Kinzie; and installing signs for "bus parking only" on the west side of the school.

Thank you for your immediate attention to this matter.
