Dear Nancy,

Please submit Ms Sumner Coon's request to the next Council meeting for referral to the Traffic Commission.

Also, please be sure she receives notification of the meeting once scheduled. I did let her know that it would most likely be the third Monday of January.

Thanks so much Nancy and have a great weekend!

Dear Sandy,

I am looking for your help regarding traffic control along Yout Street near Wadewitz Elementary School.

Two times a day, when parents are dropping off or picking up students at Wadewitz, it is nearly impossible for traffic to cross Yout Street. There is too much traffic to safely see down the street to drive across Yout. It is particularly bad along the school side of the street.

I am requesting that there be "no parking" signs placed between the west driveway into Wadewitz School and Wustum Avenue. There is only one corner lot between the school drive and Wustum, so this will not impede residents, but would rather help them in safely maneuvering the streets during school hours.

Please let me know what I would have to do to help address this issue.

Thank you,

Laura Sumner Coon
