REF: Request to relocate Fence and remove sidewalk

Greetings to the Mayor and Common Council:

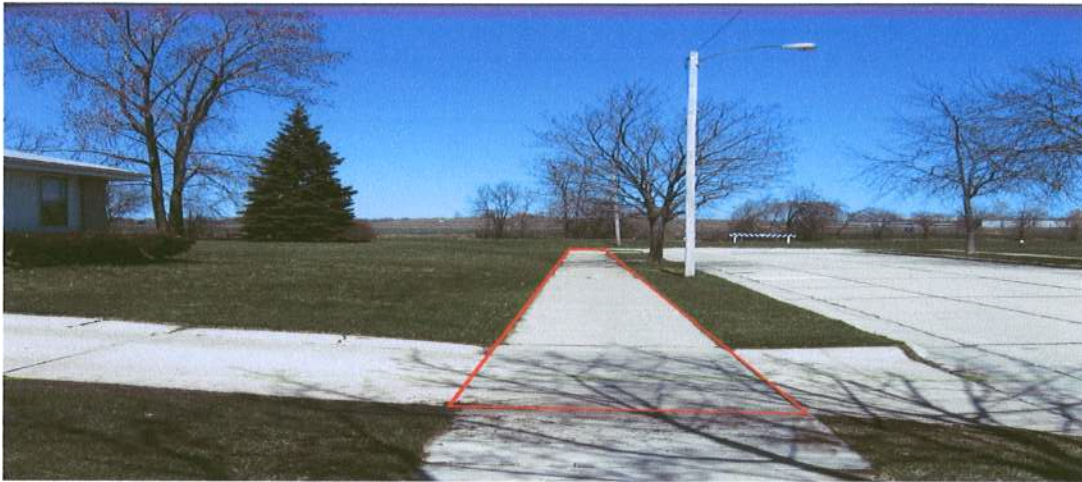

Batten International Airport (Airport) currently owns the lots at 2908, 2914, and 2920 Jean Avenue in the City of Racine. The houses on Lots 2914 and 2920 have been removed for several years. The Airport is in the process of acquiring permits to remove the house at 2908 Jean beginning shortly after July 31, 2010. There will be no houses left on Jean Avenue from 2908 Jean north to the Airport.

HOUSE ON LEFT IS 2908 JEAN – 2914 & 2920 ARE VACANT

All three of these lots are contiguous to the main Airport property. After the removal of the house at 2908 Jean, the Airport requests that we be allowed to remove 160' of sidewalk beginning at the south side of 2908 continuing north to the end of Jean Avenue. After removing the sidewalk the Airport will fill, grade level and seed the exposed area.

locate the fence at the front of the lots. These three lots are across the street from the park and the airport staff is concerned about the safety of children playing on these lots.

AREA OF PROPOSED SIDEWALK REMOVAL OUTLINED IN RED

When approved I would like to request that you advise me the minimum distance the fence may be placed from the curb if there is any such restriction. Thank you for your consideration and please feel free to contact me if you need any additional information.

Best Regards,

David Mann
Vice President and General Manager
