Re: New application for a Cigarette and Tobacco Retail License

Dear Mr. Johnson,

Your appearance is being requested at the Public Safety and Licensing Committee on January 8, 2018 at 5:30p.m. in Room 307 to discuss your license application. If you fail to appear, your license may be denied based on your non-appearance. You may be represented by an attorney at the hearing if you choose, but you must be present at the hearing.

At that time, the committee will hold a hearing to determine whether to grant or deny your license. It has come to the attention of the City Attorney's Office that you were charged with multiple criminal offenses as it relates to your operation as a cigarette and tobacco retailer. Furthermore, you have been convicted of at least one criminal offense for selling tobacco products from an unknown source, with the remainder of the charges read-in and considered at sentencing. Moreover, records from both the Department of Revenue and the City of Racine Police Department indicate you and/or your agent's involvement in multiple criminal offenses as it relates to the operation of JJ's Subs. For this reason, it will be the recommendation of the City Attorney's Office to the committee that your license be denied based on your lack of fitness. You may appear at the hearing to refute any evidence presented against you and may argue in favor of the issuance of the license. The committee will then make its decision to grant or deny your license. If you have any questions, please have your attorney contact me. Thank you.

Sincerely,

Nhu H. Arn  
Deputy City Attorney
