Dear Mr. Snow,

The Old Timers Athletic Club of Racine has recently purchased a concession wagon that will be used at our various fund raising events throughout the year.

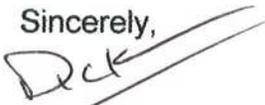

The membership has asked me to contact your office to check on the feasibility of selling concessions during this years 4<sup>th</sup> of July Parade. We would like to set-up the wagon at Lakeview Park on the grassy area between the tennis courts and the swing set. We would set the wagon up the morning of the 4<sup>th</sup>, and have it removed by 2:00 pm the same day. The area would be cleaned of all trash prior to leaving. Necessary food, beverage and health permits would be acquired.

As you are aware, the Old Timers Athletic Club is a non - profit organization that raises money throughout the year to donate back to local youth sports organizations in the City of Racine and Racine County. Again in 2009, our club has donated over \$20,000.00 to the youth of Racine and Racine County. Since our inception in 1950, we have donated in excess of \$700,000.00 to various organizations.

With the current economic conditions that exist, more organizations have asked for our support. Unless new ways are found to generate more funds our club will have to start turning down some requests. By allowing us to sell concessions during the parade, you can help us in our efforts to continue to support local youth organizations in the coming years.

Thank you in advance for your assistance in this matter, please contact either myself or President Jerry Jensen for further discussion.

Sincerely,

Dick Soens Secretary Treasurer 637-5148  
Jerry Jensen President 637-1392
