

Amendment to Alcohol Beverage License Application

I have applied for an alcohol beverages license with the City of Racine, and would like to amend my license application as follows:

- 1) Business plan questionnaire shall state, "A large private parking lot with approximately 90 parking spots."

I understand that the above amendment will be incorporated as part of my license application and business plan, and that I will be required to abide by and operate according to the above terms, if my license is approved.

Dated this 17 day of April, 2023.
