

## car show

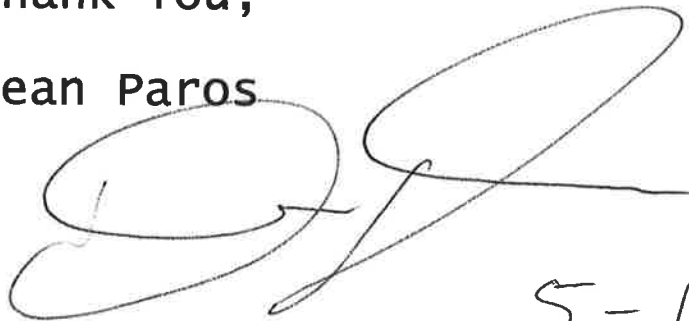

My name is Dean Paros, owner and operator of Coasters Bar on Main St.

I'm requesting a block of Hubbard St. ( between Main St & Chatham St ) to be blocked off on Sunday June 11 from 7am to 4pm at Coaster's Bar so that I may organize a car show. The show's parameters will consist of Coaster's parking lot and spill onto Hubbard St.

The reason for this event is to accomidate friends and fellow car enthusiasts, such as myself, in getting the car show season off to an early start. Also I have already spoken to the neighbors and have there blessing in doing this event.

Thank You,

Dean Paros
