Legistar Item: 1001-19

Alder Tate II, Chairman
Public Works and Services Committee
Racine, WI

Re: ReCollect Agreement Extension

This contract was initiated when the City switched over to the Solid Waste Cart system. A website was created that assists residents in determining the collection schedule of solid waste, recycling and yard waste for their address, including the collection schedule during holiday periods. The website also contains links to assist residents in determining how to properly dispose of items such as tires, electronics, brush, bulky waste and appliances.

This software does create a monthly report that shows how many carts were collected and how many people went to the various links outlining the proper item disposal methods.

The cost of the extension is \$10,648.00. Funding to cover the cost to extend this agreement is available in Org-Object 14006-52315, SW-Advertising.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tom Eeg", is written over the printed name.

Thomas M. Eeg
Assistant Commissioner of Public Works/Operations
