RE: LICENSED PREMISE REPORT  
July 2006

Dear Ms. Johnson-Martin,

The following report reflects calls for service regarding Licensed Premises which have been submitted to Investigator Jody Spiegelhoff.

**Waves Grill and Pub, 107 4<sup>th</sup> Street**

On 07/01/06 officers visited Waves Grill and Pub to enforce the loss of license, effective 07/01/06 at 12:01 a.m. Bryan Sebenlist was the on duty bartender, who could not produce a valid bartender's license. Officers cleared out the bar and advised they could reopen as a restaurant only after all the beer and liquor was removed from the premise. There were no mentioned problems during this visit. This is only for the committee's information.

**Other Complaints Addressed by Officers**

The following establishments were given verbal warnings for allowing patrons to have alcohol outside on the sidewalk areas:

07/01/06	12:40a.m.	The Blue Rock Café	306 6 <sup>th</sup> Street
07/01/06	12:37 a.m.	Benny's	213 6 <sup>th</sup> Street

These businesses were advised that future violations would result in citations being issued.

**Special Reports**

I submitted a report on The Cruz Inn for issues that needed more immediate attention by the committee. Please see report for details.

**Alcohol and Tobacco Compliance Checks**

No compliance checks were done during the month of July.

Sincerely
