To whom it may concern,

On August 18th 2007, Redline Tavern establishment would again like to hold the 4th Annual benefit "Cruz in for the Cause," for the non-profit organization "SafeHaven of Racine." We are notifying you by this letter, of our intent to ask permission to hold it again.

As you may recall, last year we closed North Wisconsin St., between Hamilton and Hubbard. We understand there will be a \$250.00 fee to close the street off. This annual event hosts 5 (five) live bands, located on the premise of 1201 N. Wisconsin St.- across from the Redline Tavern. Music will again start at noon and run till 8:30 p.m.. There will be the same set-up of tents, and the fire department will be notified. Food and beverages will be served. We will again contact the Racine Health Department for all necessary permits and inspections.

This event is to encourage new tourism into Racine and bring our neighborhood closer together to help a worthy cause. Last year we had over 44 neighborhood volunteers to help with its success.

Please inform the necessary individuals for its approval and contact us if there are any questions at the above mentioned number. We are initiating this action ahead of schedule so our committees can proceed in other directions to offer an even grand event.

We at the Redline Tavern would like to extend our thanks and appreciation concerning this matter.

Respectfully,

A handwritten signature in cursive script that reads "Connie Nau".
