Note: The city does not guarantee or imply any specific number of tows or other services that will be required during any license year.

(c) The police department dispatcher will, if possible, inform the licensee of the make, model and year of the vehicle(s) to be towed at the time of requested service. The licensee shall charge only for equipment reasonably necessary for performance of the services rendered. The police chief shall designate a departmental representative to make final determinations on appeals of licensees from compensation granted hereunder.
