Ald. James T. Spangenberg
Chairman, Finance and
Personnel Committee
Racine, Wisconsin

Dear Ald. Spangenberg:

I am requesting that \$40,000 be transferred from Account 402.000.7000, Telephone Fund-Balance, to Account 402.000.5750, Telephone Fund - Land Improvements.

The intent of this funding is to cover the cost to provide fiber cabling to City buildings in conjunction with City of Racine Construction Projects in 2010 and 2011 including State Project ID 1693-49-02\72, Signal Interconnect and Timing - 6th Street North to City Limits and State Project ID 1693-49-01\71, Signal Interconnect and Timing - 6th Street South to City Limits.

By implementing the fiber system, we will be providing better voice and data service to our remote sites with a savings from the elimination of AT&T DS1 Service and the conversion of Centrex sites to our existing voice and data system. I project an annual telephone service reduction in the amount of \$5,700, resulting in a 7 year payback.

Sincerely,

A handwritten signature in black ink that reads "Thomas M. Eeg". The signature is written in a cursive style.
