RE: Proposal for Ground Penetrating Radar for 6th Street

We have received a proposal from HNTB for Ground Penetrating Radar for determining locations of underground vaults along 6th Street. The proposal is in the not-to-exceed amount of \$9,870 and funding is available in Account No. 101.130.5610, Professional Services.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
