The application will be evaluated using the standards of Sec. 114-82 of the Municipal Code, (below). Please use the space to justify and explain how your proposal addresses these conditions; use an additional sheet if necessary.

(a) The planning, heritage, and design commission shall submit recommendations to the common council within 60 days of receipt of the application for amendment. Extension of this time period may be allowed by mutual consent of applicant and planning, heritage, and design commission. Where the purpose and effect of the proposed amendment is to change the zoning classification of a particular property, the planning, heritage, and design commission shall make findings based upon the evidence presented to it in each specific case with respect to, but not limited to, the following matters:

1) Existing uses of property within the general area of the property in question;

See attached

2) The zoning classification of property within the general area of the property in question;

See attached

3) The suitability of the property in question to the uses permitted under the existing zoning classification;

See attached

4) The trend of development, if any, in the general area of the property in question, including changes, if any, which have taken place in its present zoning classification; and

See attached

5) The objectives of the current land use plan for the city.

See attached

(b) The planning, heritage, and design commission shall not recommend the adoption of a proposed amendment unless it finds that the adoption of such amendment is not detrimental to the public interest. The plan commission may recommend the adoption of an amendment changing the zoning classification of the property in question to any higher classification than that requested by the applicant. For the purpose of this subsection, the R1 district shall be considered the lowest classification.

If the required supplemental materials, which constitute a completed application, are not submitted, the application will not be processed.

Application for Zoning Change

Municipal Code - Section 114-82

1.) & 2.) The general use and the classification of some of the existing properties within the area of 1346 Main Street Lot are as follows:

(8+) Multi-family properties, 1 block south

- 206, 208 and 202 Main Street
- Historic Lakeshore Condominiums -1440-1442 Main St.
- 1400 and 1402 Main Street
- Anna B Apartments
- Wolf Apartments

(5) Multi-family properties, 1 block west

- 1400 College & 14th St.
- 1404 and 1406 College & 14th St.
- 1445 and 1447 College & 15th St.

(5+) Multi-family properties, 1-2 blocks north

- Bull Manor – 1130 Main St.
- 1116 Main St.
- 1024 Main St.
- 1108 Wisconsin Ave.
- East Park Towers

3.) 4.) & 5.) The site calls for high density residential housing, so the proposed R5 zoning/multi-family property on 1346 Main Street Lot will fit in well with what's already been developed in the area as revealed above. This new development is an opportunity to provide affordable home ownership/housing within the community.

Raymond and Lodze Noël
