Contract 29-07 (K7-033)**

Dear Alderman Hart:

Submitted for your review and approval is a proposal to provide professional inspection services for all precast panels on the Safety Building, some of which have been subject to failure, and to prepare design repair details for the site.

We recommend that the City of Racine enter into a professional services contract with Butterfield, Rudie & Seitz, Racine, WI, at a not-to-exceed cost of \$16,500.00.

Funding is provided for this project in Account 987.210.5010, Safety Building-Precast Panel Replacement.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas M. Eeg".
