

NANCY LIEBERMAN
CHARITIES

May 14, 2019

City of Racine,

The Nancy Lieberman Charities is a 501 (c)3 organization funded by charitable donations and committed to promoting and developing healthy lifestyles and educational opportunities for young girls and boys. Nancy Lieberman Charities is dedicated to ensuring and expanding educational and sports opportunities exist economically disadvantaged youth. Approximately 85% of the students that we serve with our basketball camps, clinics, Dream Courts™, college scholarships, and school supply programs, throughout the United States, are from low-to-moderate income families.

To date we have over 79 Dream Courts open across the country serving over 3.5 million children. These state of the art play spaces serve as a safe space for youth and community members to be active, build teamwork, make friends and play the sport of basketball. Our Kids & Cops Dream Courts involve local police. These Dream Courts stand as a ground to bridge the gap between law enforcement and the communities they serve to protect by engaging local police with the youth of their community.

Please accept our Dream Court gift with a value of \$75,000 located at the John Bryant Center that will be officially opened on June 15th, 2019. We are humbled to be able to grant the Racine community with such a beautiful new play space for children and residences to utilize. We know this space will serve those to build friendships, teamwork and live an active lifestyle.

Again, thank you for allowing us to come into your community and place in the new outdoor basketball Dream Court. If you have any questions please reach us at 972-473-2121.

Sincerely,

Nancy Lieberman Charities
