Re: Request of the Committee of the Whole

It has been my concern for a period of time that the processes being used for licensing purposes and Due Process are questionable at best. It is my request that a Committee of the Whole convene to discuss the prerequisites of taking Parties to Due Process.

There are also some legality questions that need to be addressed so it can bring clarity to our legislative responsibilities. Your timeliness in this very important would be deeply appreciated.

Thank you,

Alderman Keith Fair 1<sup>st</sup> District
