City Hall
730 Washington Avenue
Racine, WI 53403

Dear Ms. Johnson-Martin:

The Chair of the Racine Zoological Board of Directors and I would like to meet with the City of Racine Common Council Committee of the Whole to present an update of some important developments going on at the Zoo. We are bound by a rigid timeline and, therefore, request that this meeting be scheduled immediately prior to the Common Council meeting on Tuesday, 16 May 2006. Forty-five minutes should be more than adequate in order to present our information as well as answer any questions. We would like to bring a laptop computer and projector and request that you make a projection screen available.

Many thanks

Jay R. Christie
