Dear Mr. Stanek:

The purpose of this correspondence is to request an opportunity to discuss the reserved parking spaces in the municipal lot located behind the Corner House with the Transit and Parking Commission.

Should you have any questions, please do not hesitate to contact me at 262/898-7404.

Sincerely,

Signage problems for paid reserved parking.

Problem

Solution

The tenants with reserved paid parking spots in the public parking lot located behind 1505 Washington Ave are dealing with an ongoing problem of parking violators. This is something that happens on a daily basis, and sometimes many times per day. We believe that a change in signage would help the problem. It is not fair to the tenants who pay for this reserved privilege to have to park somewhere else or get involved with confrontations with the violators. It is also time consuming to call for ticketing, and a waste of police resources.

We ask that these changes please be made in a positive effort to stop the problem.
