Subject: Neighborhood Housing Services
1100 - 12th Street Sidewalk

Dear Mr. Jones,

We have been requested to do sidewalk repairs at the above-mentioned property. We are in the process of planning a new home on said site. During the construction process we will damage a lot of the walks, thus, we are requesting a delay in making the repairs. We are asking for one year to do what we need to do. Should you have any questions please feel free to call me.

Sincerely,

George Huxhold
Project Manager
