We are planning this event to commemorate our 1st year in business. Our hope is to draw citizens to downtown Racine to promote not only our business but also the downtown and 6th St. business district.

We will have live entertainment including bands and possibly a small exhibition from the 6th St. Theater. There will be Soda, Beer and Food for sale to the Block Party goers and games for young and old. We are planning on bringing in the good old Dunk Tank with an open invitation to city officials to help Racine's fair citizens get to know and dunk their city government officials. We are also speaking with area Artists to display their Art just as we do inside of McAuliffe's on the Square. A good time is sure to be had by all.

McAuliffe's on the Square will be providing all the staff necessary to run a safe and fun filled event. We will also be donating a portion of the proceeds to local non-profits and charities.

Thank you for your time and consideration,

Steve Hawkins, JJ McAuliffe, Drew Hansen
