Mayor John Dickert
and the Common Council
Racine, Wisconsin

Ladies and Gentlemen:

I wish to meet with the Finance and Personnel Committee to discuss the allocation of funds necessary to install a handicap entrance device at the Racine Transit Center. Currently, this site does not contain handicap accessibility controls as required by Wisconsin Historic Society requirements.

Since this item was not included in the 2010 budget, we are requesting \$3,780.00 to furnish and install these controls.

Sincerely,

Richard M. Jones
Commissioner of Public Works/City Engineer
