Sept. 16, 2009

Dear Mr. McCarthy,

The alley between the 1700 block of Deane Blvd. and Quincey Ave. is in dire need of repair or replacement. We would appreciate it if you would take a look at it to see what could or should be done or possibly inform whomever ~~is~~ in charge of that department that we are interested in seeing something done. Thank you.

Sincerely,

Wesley B. Slater
