Re: *Root River Corridor Redevelopment Plan*

Honorable Mayor and members of the Common Council:

The Root River Council is seeking adoption of the **RootWorks- Revitalizing Racine's Urban River Corridor Plan** by the City of Racine Common Council.

For your review, **22** copies of the plan are being provided to offer details regarding the revitalization of the Root River in Racine. This plan provides a blueprint for the renewal of Racine's historic industrial district with a vision developed through neighborhood input, stakeholder interviews and extensive market research. Included in this plan are recommendations that will stimulate economic growth and job creation, highlight local assets, and improve public river access and water quality.

Please forward this plan for the scheduling of review(s) before the appropriate committees and commissions to facilitate its adoption.

If you have any questions, please feel free to contact me.

Sincerely,

Monte Osterman
Chair- Root River Council
