He said another employee was working when some of the violations occurred, but he was cited as the owner. Alderman Kaprelian-Becker noted 6 of the violations occurred on the same date. Attorney Weber told the committee he received information Roger Johnson indicated today at a conference that because it's an Operators License, not a Liquor License, the committee could actually deny based on the violations. Attorney Weber was not able to get in touch with Mr. Johnson to confirm the information. Alderman Kaprelian-Becker moved to defer the item until Attorney Weber could confirm the information from Roger Johnson. Alderman Perez seconded the motion. Motion passed on a voice vote.
