Re: Approval of Transportation Project Plat for State Project ID: 2290-10-02,
Structural Rehabilitation, State Street Bridge Over Root River (B-51-0069)

We are submitting the transportation project plat for the State Street Bridge Rehabilitation Project. If approved, the acquisition of temporary limited easements can commence. The acquisition of property will be completed in 2026.

Fiscal Note: Funding for this project is available in the 2026 - 2035 Capital Improvement Plan.
