Subject: Permission for the use of the parking lot at the east end of Barker Street

Commissioner Jones,

On behalf of Real Racine, we are requesting to use the parking lot at the south east side of Barker Street and North of the Water Utility building, just west of the Racine Yacht Club for the World Series of Watercross on June 19th and 20th. Over 200 teams from across the country will compete on the shores of Lake Michigan. The group will need this parking lot for racer's trailers and staging for the event.

If you need more information about this or other events, please contact me.

Thank you,
