TO: The Mayor and Members of the Common Council

FROM: Al Stanek
Transit and Parking System Manager

SUBJECT: Request to Move the Bus Stop at Washington Ave. and Prairie St.

Request to move the following bus stop at the recommendation of the BUS Operations Manager for improved efficiency and reduced liability exposure:

The BUS Route 3 bus stop located at Washington and Prairie in the Village of Mount Pleasant poses a safety issue due to the closeness of the stop to the left turn at Oakes Road. When servicing that stop the bus has to get across three lanes of busy traffic with less than 100 yards to do so. We request authorization to remove this stop completely or relocate it a block east of its current location. Currently the only patrons are students using this stop to board the bus first in order to get a seat before it load students at Case HS. Village of Mount Pleasant officials will be involved in any decision.
