

Item 1153-25 Alderman Pabon

Department Impacted: Customer Service

Amend the sump pump position in the public works department to put a limit on this position of 10 years from the date of the approval of this budget and a minimum quota of 3,600 sump pump installations through this program and 10 year term. At the end of the ten years, or before if the council deems necessary, the position may be dissolved, extended, or become permanent.

Fiscal Note: No Fiscal Impact
