Re: No Parking Anytime and No Parking on the Grass along Hoffert Drive

At the recently held volleyball tournaments at Racine's Blue Wave Beach there were multiple automobiles and light trucks parked on the grass where no parking anytime was clearly posted. No citations were written for the offending vehicles on that date of July 12, 2008.

For the residents of the 4th District and on behalf of the citizens of Racine, I would like this situation to be the last abuse our fine beach and the grassy areas ever receive. If citations are written at other times of the year we cannot remain vigilant and in compliance with municipal law; if we pick and choose dates of enforcement.

I would like to have this matter referred to the Committee of the Whole for further discussion.

Yours truly,

Jim Kaplan, Alderman, 4th District, City of Racine
