Personnel Committee

Dear Ald. Spangenberg:

Due to the request of the City Health Administrator for changes to the City Hall Renovations - Phase III project which includes increasing the square footage of the area that the Health Department occupies, the relocation of the women's bathroom on the lower level of the building, and the need for special furniture, there is a need for additional funding in order for this project to proceed.

Sincerely,

Thomas M. Eeg
Asst. Comm. of Public Works/Operations
