Racine, Wisconsin 53403

REF: Request to remove sidewalk

Greetings to the Mayor and Common Council:

Batten International Airport (Airport) currently owns the lots at 2905 and 2911 Diane Avenue in the City of Racine. The houses on these lots have been removed for several years. There will be no houses left on Diane Avenue from 2905 north to the Airport. (See attached photographs labeled 2905 Diane Avenue and 2911 Diane Avenue) These sidewalks are in bad condition and the Airport has received notices to repair or replace the sidewalk. Because there are no homes on the lots and no homes further north on the street, the Airport requests to remove the indicated portions of the sidewalk and then fill, grade and seed the area.

Best Regards,

David Mann
Vice President and General Manager
