Attn: Rick Heller
Chief Building Inspector

Dear Mr. Heller,

We respectfully request permission to continue the existing 7"+2" projection of the existing canopies which have been in place since the 1960's.

We are also installing thin brick veneer (approximately 3/4" with backing) over the existing ceramic tile facing.

We would appreciate your approval as soon as possible

Thank you for your efforts.

Yours truly,

Thomas A. Cecchini
